

## Strathaven Pathway

As part of the Town's mission to "Deliver municipal services that promote the wellbeing of the community" the Town has approved and awarded construction of approximately 500m of new paved pathway that will connect a current playground, Wheatland Elementary field and the pathway on Brent Boulevard.

The pathway will run from Strathford Place south to Brent Boulevard as per the maps attached.

The project will begin on August 15, 2017 and is schedule to be completed by August 31, 2017. Please use caution and obey any construction signage if you are in this area during the construction process.

The Town would like to thank the Golden Hills School Division for allowing this connection through the Wheatland Elementary Field and in doing so making this new pathway possible.

If you have any questions please contact the Town at 403-934-3133 or fill out a Citizen Communication Form available on our website [http://strathmore.ca/citizen\\_communication\\_form](http://strathmore.ca/citizen_communication_form) or at the Town Office 680 Westchester Road, Strathmore.
