Drawings: Contractor is required to provide detailed drawing for review and approval. Include roadway location and names with approximate street address and location of the excavation. If possible, show approximate dimensions to curb or other identifiable features. Prior to work commencing, the Applicant will check with all utility companies to ensure that the Applicant's work will not interfere with, or damage, any utility lines or other structures.

Town Engineering Standards: The Applicant is aware of relevant provisions of the Town's Engineering Standards, applicable Bylaw's and the Town's requirements for backfilling and restoration of excavations. The Town may inspect the Applicant's work at any time and designate corrections. If the Applicant fails to comply with any of the Town's requirements, the Town may perform necessary corrective work and charge the cost to the Applicant. The Applicant indemnifies the Town against any claims, actions, damages, losses and expenses of any kind that may be made or brought against the Town or that the Town may suffer or incur in the course, or as a result of the Applicant, its sub-contractors or agents carrying out the Applicant's work.

Warranty: A one-year warranty will apply to the restoration work. A cheque or credit card, for the value of the work, may be required in advance and will be reduced to 50% upon satisfactory completion of the work. The remaining 50% will be held until the end of the warranty period. An inspection request form must be submitted to Infrastructure and Development Services Department upon completion of the work.

Fees: Application must pay the applicable Excavation Fee at application as defined in the Town's Fees and Penalties Bylaw #13-21. **Insurance:** Contractor shall provide a Certificate of Insurance indicating proof of general liability insurance in an amount of not less than \$2,000,000 per occurrence. Proof of insurance must be maintained for a period of not less one year from the completion date.

I, the Applicant, acknowledge that I represent the owner of the above-mentioned property, and do hereby agree to adhere to the conditions for approval as stipulated above. I agree to pay the actual construction cost, engineering and 5% GST expenses for the construction on the Town property described above.
