General Information

Confidential when completed

The collection of this information is authorized by the Statistics Act, Revised Statutes of Canada 1985, Chapter S19.

Completion of this questionnaire is a legal requirement under this Act. This document is confidential when completed.

To avoid duplication of inquiry and to provide consistent statistics, this survey is being conducted under cooperative agreements, made in accordance with the Statistics Act, Revised Statutes of Canada, 1985, Chapter S19 under Section 11 for the exchange of information with: the Manitoba Bureau of Statistics, the Saskatchewan Bureau of Statistics and the British Columbia Central Statistics for respondents in each of the respective provinces and under Section 12 for joint collection and sharing information with : the Northwest Territories Bureau of Statistics and the Canada Mortgage and Housing Corporation. Agreements coming under Section 12 of the Canada Statistics Act shall not apply to any respondent who give notice in writing to the Chief Statistician that he/she objects to the sharing of the information. Results of this survey will enable Statistics Canada (STC) to estimate residential and non-residential construction activity at various geographic levels. The latter are published monthly in Catalogue 64-001 Building Permits.

Please refer to the survey reporting guide and self coding guide when completing your report. If you require additional copies of these guides please contact us at 1-888-404-3339.

If you choose to transmit the questionnaire or information to Statistics Canada by facsimile of internet e-mail communication, please be advised that there could be a risk of disclosure during the communication process. However, upon receipt of your communication, Statistics Canada will provide the guaranteed level of protection afforded to all information collected under the authority of the Statistics Act.
