

COVID-19

To help stop the spread the following steps are being taken to reduce the risk of transmission:

Anyone with symptoms of illness, a history of travel outside Canada in the last 14 days or anyone who has come in contact with a case of COVID-19 in the last 14 days must stay home. Use the self screening form provided before entering the facility.

Modifications have been made to the facilities public and user group schedule in order to accommodate physical distancing and cleaning protocols. For an up to date recreation schedule visit strathmore.ca and select "Recreation".

Additional sanitizer and handwashing stations have been installed in this facility, perform hand hygiene upon entering, exiting and often during your visit.

Barriers, markers and signs have been installed to ensure physical distancing is maintained. Follow these regulations while in the facility.

Abide the facility staff at all times.

It's not recommended to wear a mask during intense physical activity. Spectators may wear a mask if they so choose. Facility staff may be wearing masks if physical distancing of 2 metres or physical barriers cannot be maintained while performing a task.

Family Centre Regulations

- Everyone must maintain 2 meters physical distancing (except same family/cohort).
- Safety, not competition is paramount.
- Everyone must self-assess prior to entering the facility.
- Patrons and spectators should vacate the facility within 15 minutes at the conclusion of their ice time. Exit through the specific rink gates and doors marked with **green** in the SW and/or SE corners of each rink. Benches will be provided here to remove skates.
- Patrons should come to the arena with their gear on where reasonable, except skates, gloves, and helmets.
- Skate guards are highly recommended as patrons will not be allowed to leave any footwear or items in the lobby.
- Water fountains will not be available. Patrons should fill their water bottles at home and avoid sharing.
- Patrons should arrive no more than 5-10 minutes prior to their ice time.
- Patrons will have no access to dressing rooms or showers.
- Only the main floor public washrooms will be available. Limited access to toilets, urinals and sinks to ensure efficient sanitisation and physical distancing.
- Sharing items is not recommended outside of a family/cohort.
- Dryland training is not permitted anywhere except the arena surface being rented.
- Patrons and spectators should refrain from shouting and/or cheering.
- Practice respiratory etiquette. Patrons should refrain from spitting and clearing their nasal passages during activities.
- Lost and Found will not be available.

If an attendee to a program, rental or activity shows symptoms of COVID-19 while using the facility, they will be isolated immediately. The facility will be evacuated, and the symptomatic individual will be sent home. This is accordance with the "Rapid Response to Symptomatic Individuals" guidelines from alberta.ca/BizConnect.

The participant capacity of this area is **50** people maximum

The spectator capacity of this area is **50** people maximum

Staff reserve the right to limit attendees at anytime. This facility may have schedule/programming changes or close without notice.
