1.0 CALL TO ORDER

Mayor Fule opened the Public Hearing for Bylaw No. 19-16 at 7:08 PM.

2.0 ADOPTION OF AGENDA

Resolution No. 012.12.19PH

Moved by Councillor Peterson

THAT Council approves the December 4, 2019 Public Hearing Agenda as presented.

CARRIED

3.0 TABLED REPORTS

3.1 Continuation of Public Hearing for Bylaw No. 19-16 Direct Control for Crematorium

The Development Authority provided Council with a summary of the additional information provided to Council upon their request. The information was provided in detail to Council within the Public Hearing Package.

Questions from Councillors:

Councillor Montgomery - Can emissions be controlled more with the height of the stack?

Wheatland Funeral Home: Yes, the emissions can be controlled with height of stack.

Councillor Montgomery: Do you firmly believe that this will not produce smoke and odour. If that was not the case would you be willing to reconsider this?

Wheatland Funeral Home: Absolutely, the laser on the machine is set to trigger on visible matter. There should be no concern.

Councillor Bauer: The Rules for Operation includes special consideration to noise. How much noise is actually being made? How loud is it?

Wheatland Funeral Home: It would be like a furnace hum. There is noise but we will sound proof as good as it can be. The rules of operation include noise as a precaution.

Councillor Peterson: How will the applicant respond to complaints.
Development Authority: There is a response from Wheatland Funeral Home indicating how concerns will be addressed.

Resolution No. 013.12.19

Moved by Councillor Peterson

THAT Council adjourn the Public Hearing for Bylaw 19-16 at 7:34PM.
