

COVID-19

To help stop the spread the following steps are being taken to reduce the risk of transmission:

Anyone with symptoms of illness, a history of travel outside Canada in the last 14 days or anyone who has come in contact with a case of COVID-19 in the last 14 days must stay home. Use the self screening form provided before entering the facility.

Modifications have been made to the facilities public and user group schedule in order to accommodate physical distancing and cleaning protocols. For an up to date recreation schedule visit strathmore.ca and select "Recreation".

Additional sanitizer and handwashing stations have been installed in this facility, perform hand hygiene upon entering, exiting and often during your visit.

Barriers, markers and signs have been installed to ensure physical distancing is maintained. Follow these regulations while in the facility.

Abide the facility staff at all times.

It's not recommended to wear a mask during intense physical activity. Spectators may wear a mask if they so choose. Facility staff may be wearing masks if physical distancing of 2 metres or physical barriers cannot be maintained while performing a task.
