To register for lessons please go to [Strathmore.perfectmind.com](http://Strathmore.perfectmind.com). If you are unsure of your child's level, please book on the side of caution. Most children have regressed through the pandemic, and safety and comfort are our top concerns. For assistance please call the aquatic programmer.

Note: There is a shortage of Aquatic Staff throughout our industry and the province. The Strathmore Aquatic Centre is actively hiring, orientating and training new lifeguards and instructors. We ask for your patience as our new staff are orientated and trained to a safety and comfort level we feel necessary to provide a safe, healthy, fun aquatic environment for you and your family.

**\*\*\* To register in Semi Privates please register your first child and call the Aquatic Programmer at the pool to register the second, 403-934-3325 ext 4.**
